WORK EXPERIENCE

2018—present

Sydney, AUS

Site Administrator

Aqualand Constructions Pty Ltd

Accomplishments

Expertizing in construction management - from quality control of build process to safety regimes on site. Working under few of the best in the industry and just soaking up their expertise and tips like a sponge. Building up managerial skills and the management of multiple groups on site.

12/2012-03/2013

Guangzhou, China

Intern

Everbright Financial Holdings Asset Management Co., Ltd.

Accomplishments

Active involvement as research analyst on several projects during stay. Constant research, somewhat repetitive, but was learning new material while interacting with new industries. Team work focused position, required constant communication with team to finished projects.

02/2016-06/2016

Sydney, NSW

Waiter

Nishiki—Wagyu Yakiniku

Accomplishments

Ensure professional customer service at high class restaurant. Must pay attention to customers as we move across the restaurant and predict customer needs. Enjoyed working
